

TRAINING CALENDER FOR THE YEAR 2018-19

NAME OF COURSE		CODE	COURSE NAME	DATE OF COMMENCEMENT	DURATION (WEEKS)	Eligibility
1	2		3	4	5	6
A	USER LEVEL COURSES	U1	Appropriate Mechanization Technology for Energy Management in Agriculture	2 nd April 2018 2 nd July 2018 3 th September, 2018 3 th December 2018 7 th January 2019 4 th February, 2019 and as per requirement	4	Progressive farmers desirous of taking to mechanized farming, tractor and agricultural machinery owners, nominees of Central/ State Government Departments, extension workers and people working in private institutions using farm machinery
		U2	Selection, Operation, Safety and Maintenance of Improved Agricultural Machinery	6 th August, 2018 5 th November, 2018 and as per requirement	6	
		U3	Operation, Repair, Maintenance & Management of Power Tiller and Matching Equipment	16 th April, 2018 20 st August, 2018 4 th February, 2019 And as per requirement	2	
		U5	Gender friendly Equipment for Women farmers	23 th May, 2018 22 nd August, 2018 19 th December, 2018 20 th March, 2019 and as per requirement	3 days	
		U7	Water Management through sprinkler and drip Irrigation & water saving devices.	4 th February, 2019 and as per requirement	1	
		U8	Selection ,operation and maintenance of Plant Protection Equipment	3 th September, 2018 and as per requirement	1	
		U9	Selection, Operation, and Maintenance of improved Harvesting & Threshing machines	2 nd April, 2018 15 th October, 2018 and as per requirement	2	
		U11	Selection, operation and maintenance of Agri. Machinery for dry land Agriculture	9 th July, 2018 and as per requirement	2	
		U12a	Package of Agri. Machinery for Paddy cultivation	7 th May, 2018 23 th July 2018, 3 rd December.2018, 18 th February 2019 and as per requirement	1	
B	TECHNICIAN LEVEL COURSES	T1	Repair and overhauling of Stationery engines and tractors	6 th August, 2018 5 th November, 2018 7 th January, 2019 and as per requirement	6	Candidate should possess an ITI certificate in related field viz. tractor mechanic, farm mechanic, diesel mechanic or equivalent certificates. The candidates who have already undergone U2 series course are also eligible.
		T2	Repair and Overhauling of Power Tillers	24 th September, 2018 4 th February, 2019 4 th March, 2019 and as per requirement	2	
		T5	Repair and maintenance of Auto Electrical equipment and Battery re-conditioning	2 nd July, 2018 29 th October, 2018 7 th January, 2019 and as per requirement	3	
		T8	Repair, maintenance & overhauling of diesel pumping sets	6 th August, 2018 7 th January, 2018 and as per requirement	2	

C	MANAGEMENT LEVEL COURSES	M1	Testing and Evaluation of Farm Machinery	As per requirement	1	Representatives of tractor and agricultural machinery manufacturers, private entrepreneurs, Nominated officials from the Central/State Government organizations
		M2	Agriculture Machinery Management	As per requirement	1	
		M4	Instrumentation for Farm Machinery Testing and Evaluation	As per requirement	1	
		M5	Entrepreneurship development to establish custom hiring Agro-service Centre	As per requirement	8	
		M6	Farm machinery management for dealers / traders / manufacturers, etc.	As per requirement	1	
D	ACEDMIC LEVEL COURSES	A1	Practical Training programme on Farm Power & Machinery for Degree/Diploma Engineering Students.	07 th May, 2018 4 th June, 2018 2 nd July, 2018 and as per requirement	4	Candidates nominated by the Degree/Diploma engineering Colleges
		A2	Practical Training programme on Farm Power and Machinery for ITI & vocational courses for 10+2 Students.	As per requirement	4	Candidates nominated by the ITI colleges
E	TRACTOR OPERATOR COURSES	QP-1	Selection, Operation, Safety and Maintenance of Tractor.	30 th April, 2018 30 th July, 2018 26 th Nov, 2018 4 th Feb, 2019	5	Progressive farmers desirous of taking to mechanized farming, tractor and agricultural machinery
F	COMBINE HARVESTER OPERATOR	QP-2	Selection, Operation, Safety and Maintenance of Harvesting Machine.	03 rd Sept, 2018 22 nd Oct, 2018	5	Progressive farmers desirous of taking to mechanized farming,
G	NEED BASE	NB	Need based Training Programme on Farm Mechanization	As per requirement	--	
H	TECHNOLOGY TRANSFER CAMPS	TT1	Energy conservation & safety in Farm Machinery	As per requirement	--	Agricultural machinery users
		TT2	Familiarization and demonstration of improved/ modern Agri. Machines.	As per requirement	--	Agricultural machinery users
Note :- The training programs which are not included or available in above calendar may be conducted on demand from the needy organization						

How to Apply:-

Interested candidates with full particulars may submit their application on plain paper with photocopies of the documents related to educational/technical qualification, employment etc. to the Director of the Institute at any time or at least one month before commencement of the course. The full particulars of the candidates should include **(1) Name (2) Father's name (3) Date of birth (4) Caste (5) Address for correspondence (6) Aim of the training (7) Educational /Technical qualifications (8) Agricultural land (9) Experience of operating agricultural machine etc.** Also, the application form along with prospectus can be had from the Director of the Institute on payment of Rs.20/- by Money Order or in person. Postal order will not be accepted. The application form can also be downloaded and submitted through e-mail, followed by duly filled application form along with necessary papers. Training prospectus and Application form can also be obtained through website of the Institute.

Incidental charges: Users Level-free. **Technician level Rs. 50/- per trainee per week and Academic level Rs. 500/- per trainee per week. To be deposited Cheque/Demand Draft.**

Facilities: Under the users level training program all candidates except sponsored nominees will be paid lodging and boarding Charge of Rs.200/- per day during the training period and to and fro ordinary class fare for the minimum distance from their residence to the institute and back on production of the original tickets. The lodging and boarding Charge and travelling allowance will not be provided to the trainees of other courses.
