For Director

OBJECTIVES OF THE ORGANIZATION

**NORTH EASTERN REGION FARM MACHINERY TRAINING & TESTING INSTITUTE,
BISWANATH CHARIALI, ASSAM PIN-784176**

Training Objectives:

Under the various training programmes different categories of trainees such as progressive farmers, technicians, entrepreneurs, nominees from Govt. Departments, Universities, NGO, SHG are trained on selection, use, operation, repair and maintenance of tractors, power tillers and other farm machinery with the following objectives:

- To promote the farm mechanization for cultivation of different crops.
- Transfer of technology to the farmer's field.
- To provide a pool of trained and skilled personnel for selection, operation, repair & maintenance of Tractors and agricultural machinery.
- To generate self-employment for rural youth by establishing their own repair & maintenance shop for agricultural machinery at village level.
- To provide a technical support to the farmers and users of tractor & farm machinery at village level.
- To increase the production and productivity of different crops through farm mechanization.
- To increase profitability of farmers besides saving in labour and time.
- To promote the efficient use of energy resources, natural resources such as land, water etc. and other inputs like chemicals, fertilizers, seeds etc.

Objectives of testing:

To testing of Agriculture Implements and other Agriculture Machinery manufactured within the country or imported with a view to assess their functional suitability and performance characteristics, so that, the published test results would:

- Serve as a basis to decide the type of machine best suited for Indian conditions which could be encouraged for import, production and popularization.
- Help the farmer and other prospective purchasers in determining the comparative performance of Machine available in market.
- Provide material to Engineers and Extension workers for guiding farmers in proper selection of equipment.
- Form the basis for standard specification to be used by the manufacturers.
- Help financial Institution in recommending financial assistance both to the manufacturers as well as to farmers.
- Provide feedback to the manufacturers through user's survey on the nature of field complaints and standard of pre and after sales service facilities provided by them.
- Assist Bureau of Indian Standard in formulation of standards and testing of Agriculture machines covered under the scope of certification marks scheme
- Help the manufacturers in product development by providing confidential Test Report.
